What is it about?

MENSCHEN BEWEEGEN MAT DER CFL – What if your ideas could transform the travel experience of thousands of passengers across Luxembourg?
CFL wants to rethink awareness, and you can be part of it! Together with other young people, you'll develop creative campaigns around sustainable mobility, the environment and respectful coexistence. Your ideas matter: creative, practical and with real impact. And you can even make some of them happen yourself!

Why participate?

-  Gain practical experience on a real project
-  Develop new skills
-  Work with inspiring professionals
-  Make your ideas count
-  Boost your employability
